

Gastro Star CitroClean

Universal Detergent for Tableware, Surfaces and Utensils

Liquid concentrate

Fields of application:

- For the manual cleaning of tableware, utensils and surfaces in the catering industry, in the gastronomy sector, in hotels and in professional kitchens as well as in bakeries and butcher's shops.
- With good cleaning action. Reliably removes all kinds of food residues.
- Suitable for items made from glass, porcelain, plastic and stainless steel as well as for other sensitive surfaces e.g. lacquered surfaces and aluminium.

For optimum kitchen hygiene we recommend the Gastro Star product range.

The detergents and rinse aids for automated ware washing, pre-cleaning and ambient hygiene are optimally matched to achieve excellent cleaning results. The systematic colour code makes use easier and prevents mix-ups.

Special properties:

- Very user-friendly due to non-hazardous formula, neither caustic nor irritating
- Excellent material compatibility, universally applicable
- With fresh lemon fragrance

Dosage:

Use 0.4 ml Gastro Star Citro Clean for 1 litre of water and clean the items to be washed in or with the solution. The maximum application temperature for the product is 40 °C.

Notes on application:

- For professional use only!
- For economical and controlled dosing, manual dosing and application ancillaries are available, e.g. can pumps and mixing equipment. Please contact us.
- The Gastro Star CitroClean working solution has to be rinsed off completely with water.
- Do not mix with other products.
- Storage and transport is only permitted in original packaging.

Technical data:

pH- value	approx. 5.3 (concentrate, 20 °C)
viscosity	> 500 mPas concentrate, 20 °C)
density	1.0 g/cm ³ (20 °C)

Ingredients:

Ingredients according to Regulation (EC) No 648/2004 on detergents:
< 5 % non-ionic surfactants, amphoteric surfactants
5 - 15 % anionic surfactants,
also perfume (limonene), preservation agents
